Truth: answer honestly. Dare: do it or skip your turn. Never have I ever: anyone who has done it raises a hand. Who's most likely: on three, everyone points at someone.

THE MONSTER DIE

Cut the outline, fold on the lines, glue the grey tabs. Roll it, then draw a card of the type it lands on.

PARTY BINGO

One grid per team. Tick a box when it happens. First full row: that team picks the next dare.

#1

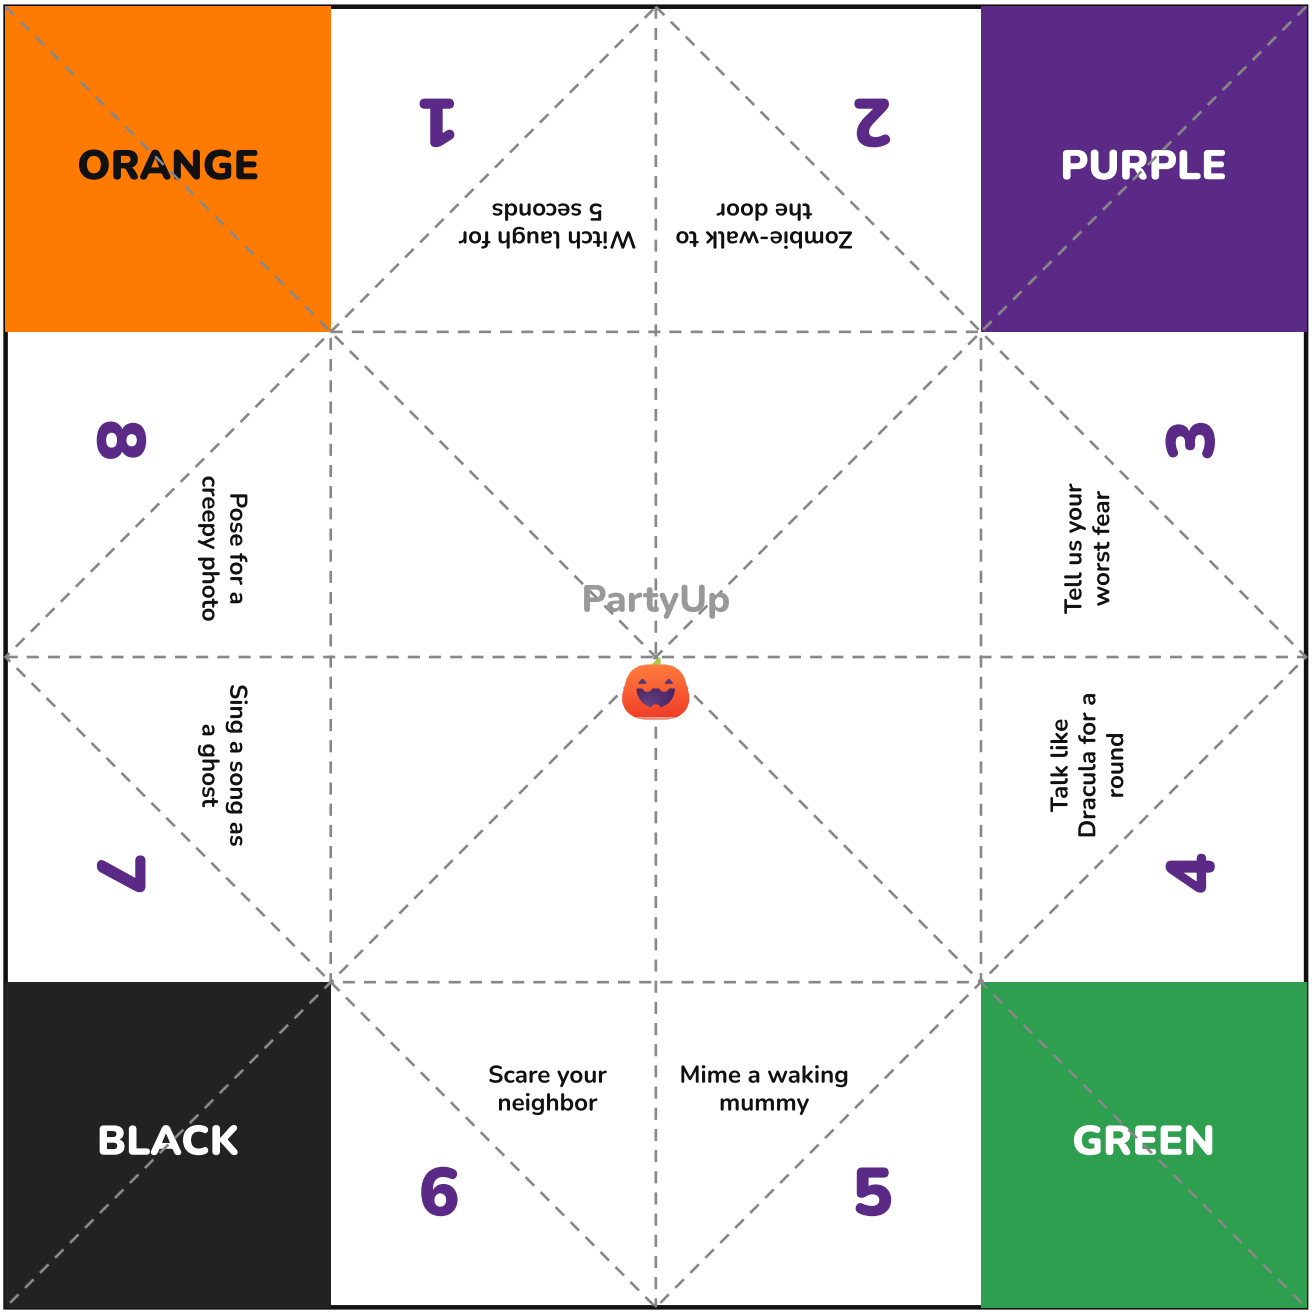

Someone screams for real	Two people wear the same costume	Someone says "not even scary"	Someone asks "what are you supposed to be?"
A plastic spider shows up	Someone photographs a pumpkin	Makeup starts running	Someone is dressed as a witch
Someone jumps at nothing	Someone eats a candy they hate	Someone does an evil laugh	A homemade costume
Someone brings up a horror movie	Someone refuses a dare	A wig falls off	Someone wears fake fangs

#2

A homemade costume	Someone eats a candy they hate	Someone tells a ghost story	Someone brings up a horror movie
A plastic spider shows up	Someone refuses a dare	Two people wear the same costume	Someone does a zombie walk
Someone photographs a pumpkin	Someone asks "what are you supposed to be?"	Someone mentions their ex	Someone jumps at nothing
Someone screams for real	A wig falls off	Someone does an evil laugh	Makeup starts running

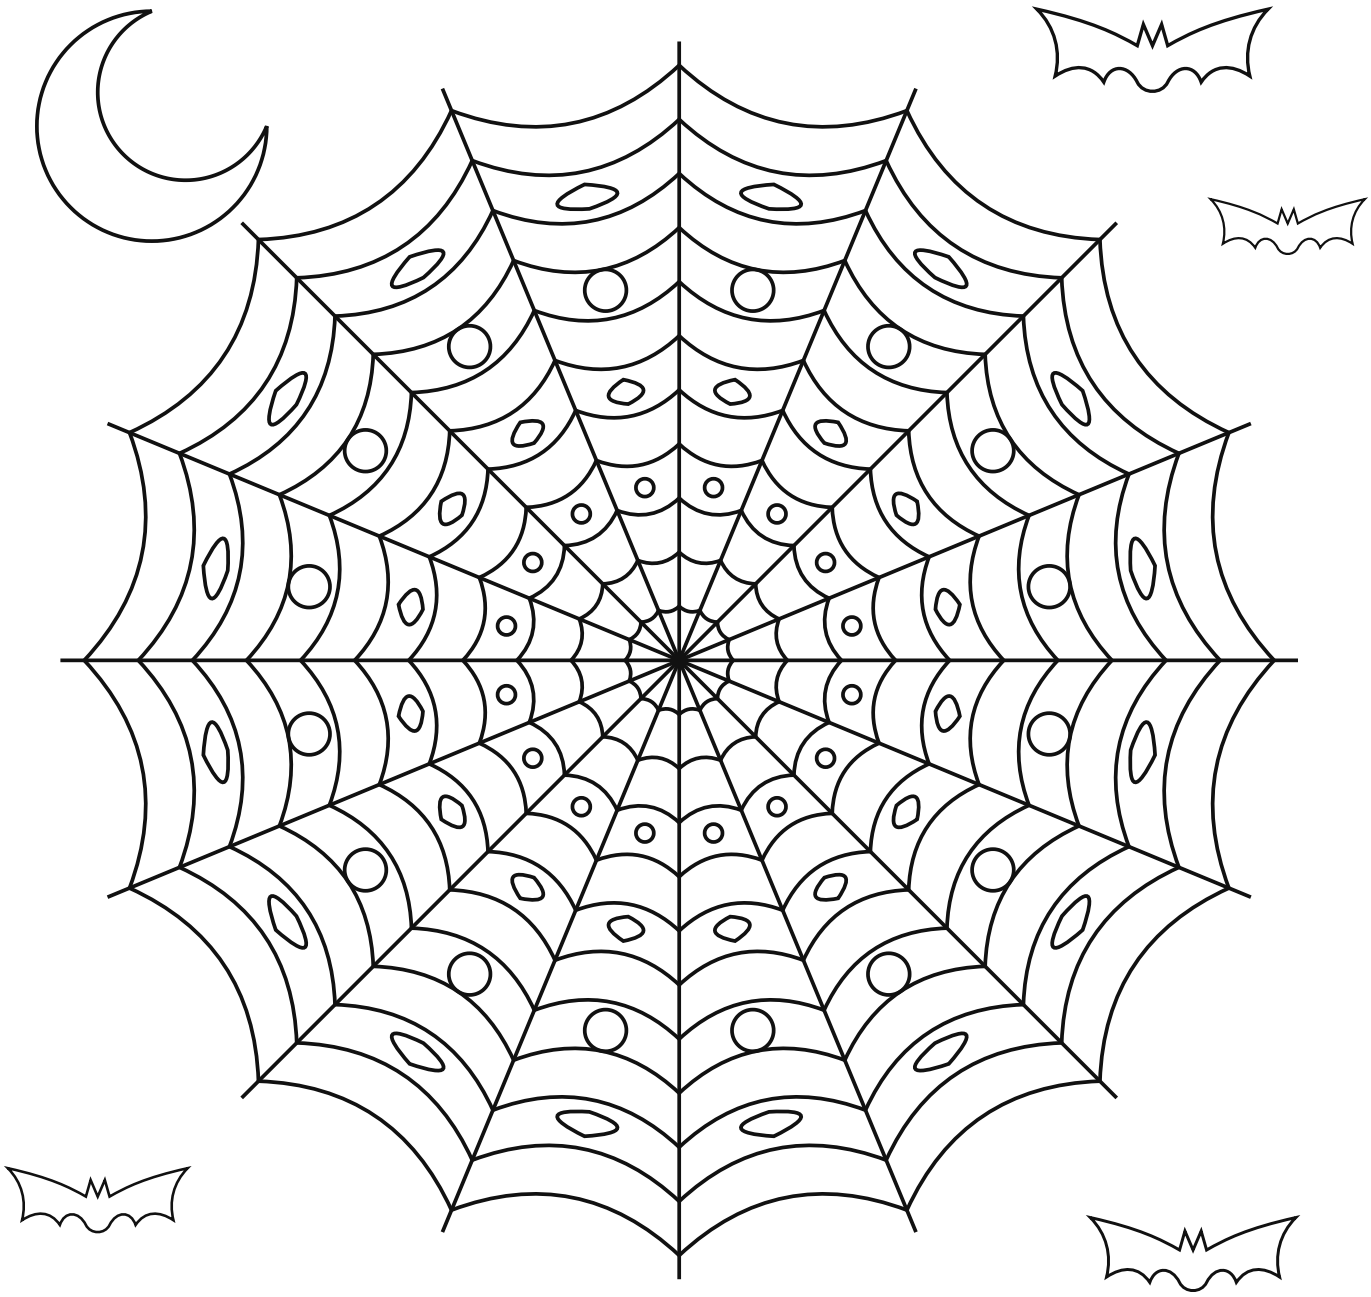

THE DARE FORTUNE TELLER

1. Cut out the big square.
2. Printed side down, fold the 4 corners to the center.
3. Flip it over, fold the 4 new corners to the center.
4. Fold in half, slide thumbs and index fingers under the 4 colors.
5. A player picks a color, spell it while opening and closing, then a number, and read the dare hidden underneath.

COLORING: THE WEB

Fine markers work best. Every color is allowed, even pink.

🧪 Witch's potion (alcohol-free)

Makes 6 glasses

- 1 L (4 cups) dark grape juice
- 500 ml (2 cups) cold sparkling water
- Juice of 2 limes
- A handful of frozen berries (the "toad eyes")
- Gummy worms for the rim

1. Mix the grape juice and lime juice in a large bowl.
2. Add the frozen berries: they chill without watering it down.
3. Pour in the sparkling water at the last minute, for the bubbles.
4. Hang a gummy worm on the rim of each glass.

Tip: a latex glove filled with water and frozen makes an ice hand that floats in the bowl.
